KAVIYA. N

PRE FINAL YEAR COLLEGE STUDENT

7395951005

np.kaviya0301@gmail.com

Anna Nagar, Chennai,
Tamilnadu

PROFILE

Aspiring Information Technology professional with strong knowledge of data structures,
web development, and design tools, seeking opportunities to enhance technical expertise and innovative solutions.

SKILLS

- Web Design
- Front End Coding
- Problem-Solving
- Machine Learning
- Deep Learning
- Strong Communication

EDUCATION

SECONDARY SCHOOL

Velammal Vidhyashram

10th grade : 88.8%

12th grade : 82.4%

BACHELOR OF TECHNOLOGY

Velammal Institute of Technology

Current cgpa : 8.79

EXPERIENCE

- **Web Development Intern**

InterPe (Online Internship)

Developed responsive web pages using HTML, CSS, and JavaScript

Gained hands-on experience in frontend development and basic backend concepts

Worked on real-time tasks and improved problem-solving and debugging skills

- **Research Intern – Underwater AI & Computer Vision (Ongoing) NITTTR Chennai**

Working on AI-based underwater fish species monitoring and analysis

Exploring computer vision techniques for fish detection, tracking, classification, and counting

Studying marine ecosystems and underwater imaging challenges such as turbidity and low-visibility conditions

SEMINARS, WORKSHOPS & ACTIVITIES

- Won 1st Prize in a College-level National Project Presentation
- Secured 2nd Prize in Paper Presentation held at SA College of Engineering
- Participated in MSME Hackathon 5.0
- Participated in Smart India Hackathon (SIH) and nominated at the Institutional Level
- Participated in a Figma Design Competition and ranked in the Top 5
- Attended workshop on Python and Java conducted by Terv
- Secured 12th Position in the ACL DravidianLangTech International Conference Shared Task Competition

ADDITIONAL ROLES & CONTRIBUTIONS

- Completed NPTEL course on Data Structures and Algorithms using Python
- Successfully completed an online internship at InterPe in the Web Development domain
- Completed 7 certification courses from IBM and Infosys
- Undergone Basic and Advanced Innovation & Entrepreneurship (IA) Training under Institution's Innovation Council (IIC)
